San Antonio  
Marriott Rivercenter  
San Antonio, TX

26-28 JUNE

# AACE's 2022 Conference & Expo

**3 DAYS. EXPERTISE. RESOURCES.  
COMMUNITY. ZERO REGRETS.**

AACE's Conference & Expo is the most trusted cost and project management conference for the professionals who engage in all aspects of total cost management.

No matter your skill level, you'll learn techniques and recommended practices you can start using immediately to improve your productivity.

Our industry is changing faster than ever, and new products and techniques emerge every day. AACE's Conference & Expo helps keep you ahead of the curve and ensure you continue your professional development.

Featuring over **100 speakers** and **80 technical sessions** and an **exhibition with leading vendors**, AACE's Conference & Expo offers 3 days of in-depth sessions, and inspiration, all in one place. If you can only sign up for one event in 2022, it should be the AACE Conference & Expo.

**NEW IN 2022: Full technical conference registrations receive the recorded sessions included with the cost of registration!**

**It was so much more than I could have hoped for. I really enjoyed everything and it left me wanting more!**

# Who We Are

## THE LEADING AUTHORITY FOR COST AND PROJECT CONTROLS PROFESSIONALS

AACE International is the Association for the Advancement of Cost Engineering.

With over 7,000 members in 100 countries, AACE International has been serving the total cost management community since 1956. We are committed to the constructive exchange of ideas between members, development of technical guidance, quality education, and recognition of subject matter experts. Our members work in a variety of disciplines and across many industries like Construction, Oil & Gas, Engineering, Power Generation/Utilities, Infrastructure, Defense, Government, Consulting, etc.

Our Mission: **AACE members drive project to complete on time, on cost, and meet investment and operational goals.** We arm our members with the technical tools and expertise to support successful project and programs. This drives us to provide the best technical content in any conference around!

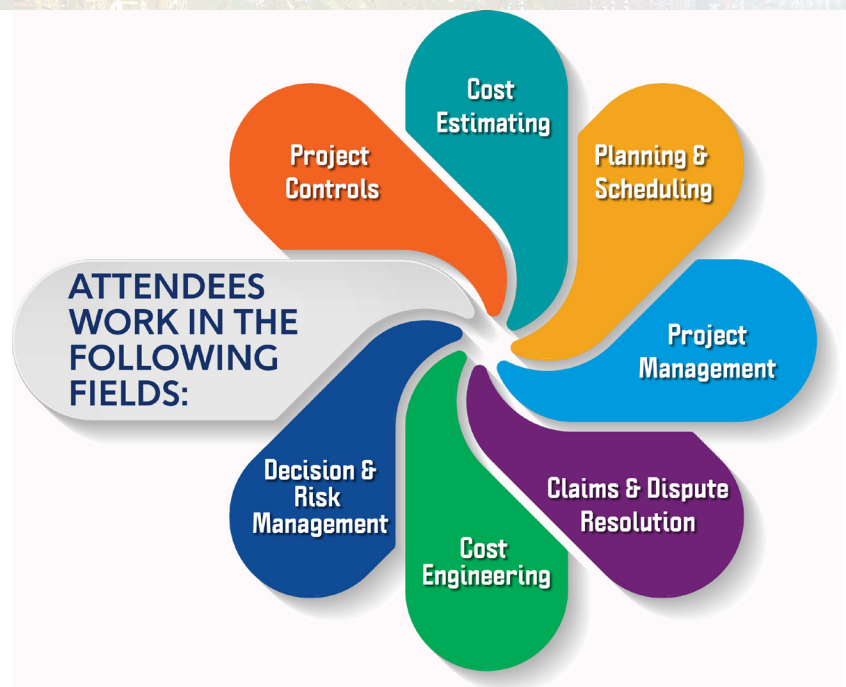

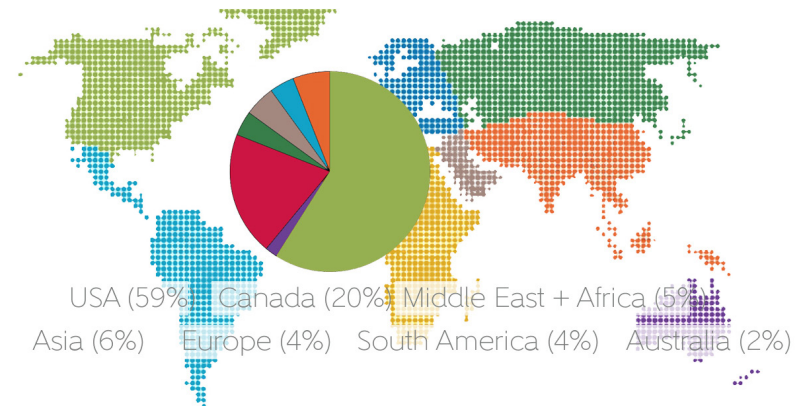

**The organization of this conference is the key factor for my attending again. This time, the conference was even better!**

# Who Attends

Our attendees range from company and industry leaders to those who are newer to the industry.

Some of the leading companies and governmental agencies are consistently represented at the Conference & Expo from AECOM, Jacobs Engineering Group Inc., ARCADIS, Hatch Ltd., Kiewit, Koch Industries Inc., RIB U.S. Cost, Sargent & Lundy, Smithsonian Institution, SNC-Lavalin Inc., Department of Veterans Affairs, DuPont, and more!
